## TO RELIEVE CATARRH

DEAFNESS AND HEAD  
NOISES

If you have Catarrh of the Ear or  
head noises go to your druggist and  
get 1 ounce of Earsol (double  
strength) and add to it 1-4 pint of hot  
water and 4 ounces of granulated su-  
gar. Take 1 tablespoonful four times a  
day.

This will often bring quick relief  
from the distressing head noises.  
become deaf and lose their hearing.  
The first degree will be worked  
on a class and after the degree work  
the social committee will provide re-  
freshments. Plans for the fall season

# No-License Petition Still Undecided

Hearing of Testimony Occupied Entire Session of Superior

Court on Wednesday—One More Witness to be Placed

on Stand Today—Expected That Arguments Will be

Brief.

The second day of the hearing called  
to determine the result of the no-  
license petition filed here with the  
selectmen was a day of testimony. The  
entire session of the superior court  
Wednesday was taken up with the  
hearing of evidence introduced by both  
the liquor dealers and the no-license  
forces. The prohibitionists had a  
number of witnesses to offer testi-  
mony in their behalf as to the correct-  
ness of the addresses of thirty or  
more signers. It was brought out at  
the hearing that a number of address-  
es on the last perfect registration list  
are not correct and that the signers  
placed their correct addresses along-  
side their names on the petition. Ac-  
cording to the testimony of George W.  
Weller he said he signed himself as  
residing at 24 South Front street, Taft-  
ville. The address on the peti-  
tion reads 124 So. Front and  
Mr. Weller asserted that he did not  
place the figure one before the 24.  
Register of Voters D. Guy  
was on the stand when court went out  
at 5 o'clock this afternoon to come in  
at 10 o'clock tomorrow morning. There  
is one more witness to be heard be-  
fore the arguments.

Mr. Guy took the stand about 4:40  
o'clock. He told of the manner in  
which the registration lists are pre-  
pared and of the meaning of the ab-  
breviations on the lists, such as obt  
and l h r. The letters obt he said  
mean Otobando and l h r Laurel  
Hill Road. He said the lists were as  
accurate as the registrars could pos-  
sibly make them. Errors sometimes  
get into the lists in spite of all the  
care in the preparation of the lists.

In answer to a question from At-  
torney Desmond he said the lists were  
prepared for free distribution and were  
placed according to law on sign boards  
in shops and places where people are  
likely to congregate. The regis-  
trars, he said, do not prepare any  
bound copies of the lists. Bound  
copies are prepared by others than  
the registrars and these are sold.

Mr. Guy was being questioned by At-  
torney Desmond when Judge Greene  
advised that the hearing should be  
adjourned until ten o'clock Thursday  
morning.

## George N. Beardow Testifies.

The hearing was resumed Wednes-  
day morning about 11:30 o'clock.  
George N. Beardow of Taftville re-  
sponded to the question of the regis-  
trars and testified that he signed the petition  
and that his address is Taftville. He  
said that this was the correct ad-  
dress of Frank B. Ricketson, George  
H. Ordway and Louis A. Tillingshast.  
George Haven 14 said is on the list  
as residing at 8 1-2 South  
C street. George Kinder is down on  
the voting list as residing at 12  
mean Otobando and l h r Laurel  
Hill Road. He said the lists were as  
accurate as the registrars could pos-  
sibly make them. Errors sometimes  
get into the lists in spite of all the  
care in the preparation of the lists.

Howard A. Spalding said he signed  
the petition and said he resides

# HOW CURED

M CATARRH

TOLD IN A SIMPLE WAY

Without Apparatus, Inhalers, Salves,  
Lotions, Harmful Drugs, Smoke  
or Electricity.

## Heals Day and Night

It is a new way. It is something  
absolutely different. No lotions, sprays  
or sticky smelling salves or creams. No  
atomizers or apparatus of any kind.  
Nothing to smoke or inhale. No steam-  
ing, rubbing or injections. No elec-  
tricity. No vapor. No massage. No  
powder; no plasters; no keeping in the

house. Nothing of that kind at all.  
Something new and different, some-  
thing delightful and healthful, some-  
thing instantly successful. You do not  
need a doctor and you do not need  
a lot of money. You can stop it over-  
night—and I will gladly tell you how—  
FREE. I am not a doctor and this is  
not a so-called doctor's prescription—  
but I am cured and my friends are  
cured and you can be cured. Your  
suffering will stop at once like magic.

**I Am Free—You Can Be Free**  
My catarrh was filthy and loathsome.  
It made me ill. It dulled my mind. It  
undermined my health and was weak-  
ening my body and how I can cure  
spitting made me obnoxious to all, and  
my foot breath and disgusting habits  
made even my loved ones avoid me se-  
cretly. My delight in life was dulled  
and my faculties impaired. I knew that  
in time it would bring me to an untimely  
grave, because every moment of  
each day and night it was slowly eat-  
ing away my vitality.

But I found a cure, and I am ready  
to tell you about it FREE. Write me  
promptly.

**RISK JUST ONE CENT**  
Send no money. Just your name and  
address on a postal card. "Dear  
Sam Katz: Please tell me how you  
cure your catarrh and how I can cure  
mine." That's all you need to say. I  
will understand, and I will write to you  
at once, and you can stop it over-  
night. Do not delay. Send postal card  
or write me a letter today. Don't think  
of turning this page until you have  
asked for this wonderful treatment that  
can do for you what it has done for me.

don, gave a stirring temperance ad-  
dress.

The election of officers resulted in  
the reelection of the present officers  
and superintendents with the excep-  
tion that Mrs. Arthur P. Wyman of  
Norwich was elected county fair su-  
perintendent in place of Miss Harriet  
G. Cross of Norwich.

The officers are: President, Mrs. H.  
Adie Randall of Groton; secretary,  
Miss Mary Day, Colchester; treas-  
urer, Miss Harriet G. Cross of Nor-  
wich. Mrs. Randall was appointed a  
delegate to the National Convention to  
be held in Washington in December  
with power to appoint her own alter-  
nate.

The union voted \$25 to the White  
Ribbon Banner and \$25 to the War  
Relief Fund.

After the usual votes of thanks the  
meeting adjourned at 4:30.

**PAY OF MEN IN THE NAVY.**  
Service Offers More Opportunities to  
Enlisted Men Than Any Other  
Branch of Armed Forces.

The United States Navy offers more  
opportunities to the enlisted man and  
gives better pay for active service and  
in retirement than any other branch  
of the armed forces of the government.

Starting at the very beginning, it is  
possible for a young man by work  
and study to have continuous and  
frequent advancement with increase  
of pay to his base pay there is a  
ways extra pay for special duties and  
with each enlistment his pay is also  
increased. As an instance of this, a  
man enlisting in the navy receives  
now the following pay: Appren-  
tice seaman \$23.60 a month, seaman  
second class \$35.90 a month, and sea-  
man first class \$45.00 a month. From  
this he may become a petty officer re-  
ceiving a present war pay of \$41.00 for  
third class, \$46.50 for second class, and  
\$52.00 for first class. Rising to be a  
chief petty officer, his present war  
pay is \$61.00 to \$83.00, depending on  
his class of skilled work.

The higher grade is that of  
warrant officer which is a life posi-  
tion, attainable only by promotion  
from enlisted grades. The pay of a  
warrant officer is \$1500 to \$2400 a  
year, depending upon length of ser-  
vice with benefits of retirement at 64  
years of age on three-quarters pay or  
at 62 years of age on full pay. Disabil-  
ity in line of duty. The warrant  
officers grade is composed of boatsw-  
ains, gunners, carpenters, machin-  
ists, sailmakers, pharmacists and pay  
clerks.

Warrant officers have a still higher  
step in that they are commissioned  
officers and are eligible for promo-  
tion to the grade of ensign, after  
six years of service as boatswain,  
gunner, carpenter, machinist, phar-  
macist, or pay clerk. After six years  
further service from date of commis-  
sion they receive the pay and allow-  
ances of a lieutenant junior grade in  
the navy; and after twelve years of  
service from date of commission they re-  
ceive the pay and allowances of a  
lieutenant in the navy.

The advancement which is open to  
ambitious young men who enlist in  
the navy is not limited to the grade of  
warrant officer. There are several  
avenues open for promotion to com-  
mission for example:

A boatswain, gunner or machinist,  
or a chief boatswain, chief gunner or  
chief machinist, who has been in his  
grade four years and is under 35 years  
of age, may enter the examination for  
appointment as ensign; this examina-  
tion is held every year, appointments  
being limited to 12 annually. A man  
who wins a commission in this man-  
ner is entitled to the same pay, privi-  
leges and opportunities as other com-  
missioned officers and are open for  
officers who are graduates of the naval  
academy.

Pay clerks and chief pay clerks un-  
der 35 years of age may take the ex-  
amination for appointment as assis-  
tant paymaster in the navy. This ex-  
amination is usually held each year  
and is competitive.

The law provides for the appoint-  
ment each year of 100 enlisted men  
to the Naval Academy, the require-  
ments being that the applicant must  
pass a competitive examination, must  
be under 20 years of age at the time  
of appointment and must have been  
in the navy at least one year at date  
of entrance to the Naval Academy.
